Peace to you!

With deepest gratitude, we at WATER thank you for supporting us, having faith in our work, and allowing us to expand our efforts through your financial generosity.

For twenty-eight years, WATER has been helping communities worldwide create feminist religious values in order to make social change.

We would not be able to succeed without you. Please, choose WATER for your generous giving and receiving this holiday season, and [give now](#).

Your support powers WATER's many programs, most of which are fully accessible for your own use!

~Our extensive library offers books and resources that you can browse online ([www.librarything.com](http://www.librarything.com)) or in person.

~We host a monthly meditation circle, at WATER or by phone-in, to relax your physical self, expand your mental self, and enrich your spiritual self.

~We arrange monthly [teleconferences](#) with feminists in religion, both live and downloadable from our website, to engage your intellectual self.

~You are eagerly invited to exercise your talents and to gain experience and knowledge by joining WATER as a [volunteer](#), a [visiting scholar](#), a [visiting minister](#), or an [intern](#).

~We gather women, in person or by call-in, for a [monthly women's ritual](#) (also available on our

website) to nourish your liturgical self.

~We [provide counseling and spiritual direction](#) for you and all who reach out for it.

~We collaborate and network with like-minded people and organizations.

~We offer various communications to keep you up to date on WATER news and programs:
