## Greetings {FIRST\_NAME|Friend}!

It's springtime, and you're busy, busy, busy...

And so are we! Thanks to your support and generosity, WATER started the year fast and strong. In fact, this spring has been a downright party! Articles, teleconferences, programs, and collaborations galore, we've been working non-stop and feeling great. Join in!

Didn't catch our recent teleconferences with [Rita Brock on the Occupy Movement](#) and [Carol Adams on feminism and veganism](#)? What about our [WATERwomen ritual on Brigit of Ireland](#) led by Mary Condren? No? Never fear! Audios and notes are posted on our website for your convenience!

Dial-in for upcoming teleconferences: April 18<sup>th</sup>, Elisabeth Schüssler Fiorenza will talk about her new book *Transforming Vision*, and on June 13<sup>th</sup>, Melanie Morrison teams up with Julia Watts Belsor to discuss their joint article, "What No Longer Serves Us." RSVP to [waterstaff@hers.com](mailto:waterstaff@hers.com) to receive the dial-in information.

Your donations support all of these resources and more! Come join the party for a feel-good spring, and [donate to WATER today!](#)
